My dear Wieland,

I join you some photos of Carlo Guarienti's recent paintings, that I think you already know.

Krugier of Geneva has always made, until now, his exhibitions, and he is the only authorized dealer of him.

In agreement with Krugier, Guarienti will make an exhibition in Rome the next year, at the first days of February. He knows and appreciates your writings , especially your last book "200 Jahre phantastische Malerei", and he would be very happy if you could write the presentation, also very little, for his catalogue.

I think that he is a painter who should interest you; I will also write something for him, too

I would be very glad if you could send me an answer as soon as possible. With my best wishes for Christmas and New Year

Sincerely Yours

P.S. In May 75, he made an exhibition in Dusseldorf, (Galerie Heike Curtze), and the presentation of the catalogue is made by Pierre Klossowski.
