My dear friend,

thank you very much for your kind letter, which travelled a longer while, as it was directed to the other Nationalgalerie in East-Berlin! Please note my new address as given above in the head of this letter.

It was with great interest that I learned about the art of Carlo Guarienti.

Unfortunately, there is not the time to write a longer essay on ~~the~~ his work in the moment. But I have written a short "statement", which you can use of course in the catalogue of the next exhibition which, as you told me, is prepared now in Rome.

At my next stay in Rome, sometime in this spring, I shall call you again and hope to see you then. Unfortunately I was not able to arrange an exhibition for Alberto Savinio's work in Germany. All my best wishes for 1976, and kindest regards
sincerely yours

Wieland Schmied
